

Fondazione PREMIO SWISS ENGINEERING TICINO 2021 edition

REGULATIONS PRIZE-USI MASTER

USI Faculty of Informatics

Aim

The Fondazione PREMIO SWISS ENGINEERING TICINO establishes a prize addressed to the new graduates of USI - *Università della Svizzera italiana – Faculty of Informatics*.

Amount awarded

The amount awarded for the USI-prize is **CHF 1'000.-**.

Eligibility

Are eligible to participate **graduates** who have obtained one of the **Master of Science** degrees from the **Faculty of Informatics** of USI Università della Svizzera italiana in the academic year 2019/2020.

Registration

Graduates must submit their application via the official form available at www.fondazionepremio.ch

Application deadline is Monday, December 14, 2020.

Presentation

The Master thesis presentation in front of the jury must be aided by slides in PDF format (specific guidelines will be communicated to all participants), and can be in Italian or English.

The duration of the presentation in front of the jury must not exceed **10 minutes** per candidate.

The Jury may invite the candidates for an individual interview in presence or online.

Decision

The jury is composed of

- delegates designated by the Foundation Board
- delegate designated by the management of USI – Faculty of Informatics

The evaluation by the jury is final.

Award

Attendance to the ceremony is mandatory for the winner, and failure to attend will result in the cancellation of the award.

The same takes in the presence of the directors schools, partners of the award, authorities and the public.
